

## **Privacy Policy**

By completing the Character at Work (C@W) Work Potential Questionnaire, you are accepting the practices described in this Privacy Notice.

### **What We Collect and How We Use It - Registration**

During registration, we ask you to give us your e-mail address and a name that you would like to use. These are for your benefit. They make it possible for us to send you your results by email and, as the case may be, your personalized report. We display your name on your results page and include it in your personalized report. If you do not want to share your real name, you can make up a name.

### **What We Collect and How We Use It – The Questionnaire**

We collect your responses to the questionnaire on this site and store these, along with your scores, on our database. We will not report your individual responses or scores to any other third party without your prior explicit consent.

### **Security of the Data We Collect**

We take reasonable technical, administrative, and physical precautions to keep your information secure. For example, we store your responses in a password-protected database.
